SUBJECT: Water Samples at the former Truk-Away Landfill

DATE: 28 June 1979  
1.5

SDMS DocID 583352

Water samples were obtained from stations 1, 2, 3, and 6 as indicated on the attached sketch. Charles Wilson of Truk-Away accompanied James Cullinane and myself in the sampling. The samples were brought to Donna Pytel at the Health Department's Sanitary Microbiology Laboratory to be logged in. Samples for bacteriological analysis were left at that lab. Samples for chemical analysis were brought to Frank Bugielski at the Water Chemistry Laboratory. Samples for organic chemical analysis were brought to Stefan Mulawka at the Occupational Health Laboratory.
